Developer	
Tutoring Center | *Employee*	2021 – 2022
Inspecting, supporting and preserving facilities and equipment at tutoring centers	

HOBBIES

Listening to music   Present
I like listening to music when I'm working. Music not only helps me relax but also motivates me to study and work

Playing soccer   Present
I used to play football with my friends on weekends. Football is quite good because I often have to sit for a long time in front of a computer screen, which affects my health quite a bit
